Profile

I'm a motivated and detail-oriented **3rd Year BSIT** student with a strong academic foundation in Information Technology with a current **CGPA of 3.98**. I have the demonstrated ability to balance coursework with extracurricular activities, including the **recent Women Tech Quest 2024**, MLSA seminars as I'm a **member of MLSA's** General Team, did an Internship at Interns.pk, TechnoHacks EduTech and CodSoft, and I'm an active member of **Bytewise Fellowship**. In addition to that I possess excellent communication and teamwork skills honed through group projects and volunteer experiences.
